Letter No. 306, dated the 25th May 1903, from the Deputy Commissioner, Mysore District, reporting on the mismanagement of the Inam lands endowed to the Sri Ahobala Matt, situated in the T-Narsipur Taluk.

And

Correspondence ending with docket No. 69, dated 1st December 1903, from the Superintendent of Inam Settlements in Mysore.

No. 3909-14—MUZ. F. 55-01, DATED BANGALORE, 10TH JUNE 1904.

ORDER THEREON.—The Ahobala Matt at Tiruvallur, Chingleput District of the Madras Presidency, is endowed with the marginally noted Inam lands and villages in the Mysore State, in addition to the Malnad cash grant of Rs. 8-12-0 per annum, payable from the T-Narsipur Taluk. The Inam Register shows that these lands and villages as well as the cash Tasdik were granted for the support of the matt and the Sri Lakshminarasimhasawmi temple in Tiruvallur.

2. The Swamigalavaru died a few years ago, without giving *Asrama* to a successor; and owing to disputes among the disciples of the matt, a proper successor has not yet been selected by the community interested, with the consent of the Government of His Highness the Maharaja of Mysore, as required in Government Proceedings No. 233-42—Muz. F. 102-92, dated 14th December 1892. A receiver appears to have been appointed by the High Court of Madras, for the management of all the matt properties in the Madras Presidency and in the territories of Mysore and Hyderabad; but the Government Advocate, who was consulted on the subject, is of opinion that the High Court of Madras had no jurisdiction to appoint a receiver for property situated in the Mysore State. Petitions have been received complaining of the mismanagement of the lands and villages; and the local enquiry as well as the accounts submitted by the receiver, Mr. Narasimhachar, show that the income from the Inam villages and lands of the matt was not properly applied, and that the affairs of the villages are not satisfactorily managed, since the appointment of the receiver. The Officiating Deputy Commissioner Mr. Kantaraj Urs is therefore of opinion that the management of the matt endowments may be taken over by Government in the Muzrai Department, pending the appointment of a duly recognized successor to the matt.

3. The Government concur in the view of the Officiating Deputy Commissioner, and are accordingly pleased to direct that *temporary* management of all the matt property in the State, such as Government Inam lands and villages as well as of the cash grant of Rs. 8-12-0 per annum, be taken possession of by the Deputy Commissioner in the Muzrai Department, with effect from the 1st July 1904.

4. The Deputy Commissioner is requested to issue needful instructions to the Amildar of the T.-Narsipur Taluk to give due publicity to the raiyats, that the management of the endowments in question will from the 1st July 1904, vest in Government and not with the receiver on behalf of the matt.

5. The collection on the lands and villages shall be regularly made by the Amildar under the orders of the Deputy Commissioner as in the case of the Government villages, the same being remitted by means of Remittance Transfer Receipts drawn on the Bangalore District Treasury, in the name of the Muzrai Secretary to Government in whose name the amount will be deposited in the Government Savings Bank on behalf of the matt. Such Remittance Transfer Receipts should, as in the case of the Vyasaraya Matt remittances, be sent by the Amildar to the Muzrai Secretary *direct*, and the Deputy Commissioner is requested to issue clear orders to the Amildar, that in view to avoid unnecessary delay in the matter of remitting the matt accounts, he may carry on correspondence with the Muzrai Secretary direct, as regards P. S. T. R. and other money questions connected therewith. The demand, collection and balance and other statements shall also be submitted to the Muzrai Department of Government.

Muzrai, dated 16th June 1904.

6. From the vernacular records received with the Deputy Commissioner's letter read above, it is observed that the stipend order for the Malnad cash grant of Rs. 8-12-0 per annum, payable to the matt from the T-Narsipur Taluk, stood in the name of Appanniengar, who was the local Agent of the matt and who is since reported to have died. A fresh stipend order in the name of the matt will be issued. The Amildar of the T-Narsipur Taluk should draw this amount also once a year, and remit it to the Muzrai Secretary for deposit in the Savings Bank.

7. The question of restoring the management of all the endowments to the matt will be considered *after* the appointment of a successor duly recognized by the Government of His Highness the Maharaja. Intimation of this order will be given to the receiver.

Sir,

In October 1904, my predecessor M. Narasimhachariar, the late Receiver of the Ahobilam Matam at Tiruvallur in the Chingleput District (Madras Presidency) submitted a memorial to the Government of Mysore begging a reconsideration of its Order No. 3909-14 Muz. F 55-01 dated 16th June 1904, by which His Highness the Maharaja of Mysore was pleased to direct that temporary management of all the Matam properties in the Mysore State, such as Inams, villages and money grants be taken over by the Deputy Commissioner in the Muzerai Department from 1st July 1904 and that all rents and monies be collected by the Amildar of the T. Narasipur Taluk and invested in the Government Savings Bank. But no order thereon has yet been favoured to me.

2. At the time the said Order No. 3909-14 was passed there were and still are several suits pending in the Additional District Munsif's Court of Mysore instituted by the late Receiver Narasimhachariar against certain raiyats of the Matam Inam villages for rents due by them and if these suits are not prosecuted to termination there will be immediate

Court on the ground that the Receiver-P was not competent to sue, or withdrawn by him with leave to sue afresh, the claims of the Inamdar against the raiyats may become barred before a person — whether a Sanyasi Swamigala varu or other — Competent in the opinion of His Highness's Government to maintain suits comes into the field. The law of limitation will run even during Government management if it omits to sue in time for rents due. The assumption by Government of the management was an assumption of the state of things as they were at the time, and if the Government was not willing to let the Receiver remain in management I submit that arrangements ought to have been made by the officer concerned for the conduct of the suits. I do not think their withdrawal by Receiver safe for the reason stated above.

3. In these circumstances I beg that you will be pleased either (1) to grant me permission to continue in my name the Inamdar suits now pending in the additional Munsif's Court of Mysore or (2) to arrange for their conduct by your officers with my agents help if

in the Savings Bank with the other incomes of the Matam. In the former case, the anticipated difficulties in execution

Favour of very early orders on this letter is requested as the suits are posted to the 5th of June.

I beg to remain,

The humble petition of Krishnamachariar, son of Sreenivasa chariar, Agent of the present Swami of the Sri Ahobala Matt.

Most Respected Sir,

Sriman Satagopa Sri Srinivasa Satagopa Yathendra Maha Desikar was, a few months ago, duly installed as the Swami of the Sri Ahobala Matt. Immediately after the installation Srimukha was given to H. H. the Maharaja.

The said Swami has by a duly registered General-Power-of-Attorney dated 14th December 1905 appointed me as his Agent in the Province of Mysore and to manage the affairs of the Matt. By the said Power-of-Attorney I have been authorized to apply to the Government of H. H. the Maharaja of Mysore for restoration of the properties moveable and immoveable the management of which was temporarily taken up by Government for payment of monies in deposit on behalf of the Matt and to do all that is necessary for the efficient management of the properties of the Matt.

During the interval between the death of the previous Swami and the Installation of his successor the present

Swami the Government was pleased to take up temporarily the man-ment of the immoveable properties noted in the margin, which be-long to the Matt and passed Proceed-ings No. 3904-14 Muzrai F. 55-01 dated Bangalore 16th June 1904. Acting under the authority of the said Power of Attorney I humbly and respectfully beg leave to present this petition and pray that the Government may be pleased to order;-

i) The restoration of the management to me of the above mentioned properties belonging to the Matt.

ii) The payment of all monies that are in deposit with Government on behalf of the Matt.

iii) The payment of the annual cash (Malnad) grant of Rs. 8-12-0

iv) The delivery of the revenue and other accounts relating to the said properties.

In connection with the above, I beg to represent that the present Guru was nominated by the High Court of Madras on representation (a copy of the High Court Judgment and a classified list of the number of disciples voted for the Swami attached) made by a large number of disciples from various parts of India as well as Mysore and now remains in Narasimhapura 5 miles off the town of Kumbhakonam.

All the property in British India belonging to

the Matt was handed over to the present Swami and the Puja of S r i Lakshminarasimhaswami is going on in a grand scale and disciples amounting to nearly 100 are undergoing training in Vedanta Philosophy and other Sastras under the present Swami.

The Swami is further intending to start on a tour to Mysore and all other parts and there instruct his disciples as far as practicable.

I am sent here solely with the object of looking to the Pujas in temples being carried on daily in a more efficient manner as also to look to the proper carrying on of the affairs of the Matt.

I therefore beg that the Government will kindly Order the sanction of my requisitions made above.

The original Power of Attorney and a true copy of the same are herewith produced. I pray that the original may be returned to me after perusal.

I beg to reamin,

Respected S i r,

Appeal against the Decree of the District Court of Chingelput.

This Appeal coming on for hearing on Monday and Tuesday the 10TH and 11TH July 1905 after the receipt of the petitions called for by the order of this Court dated the 27TH January 1905 and the case having stood over for consideration till this day, the Court delivered the following

JUDGMENT.

In pursuance of an order of the 27TH January 1905 petitions signed by more than 8000 disciples of the Ahobilam Mutt have been presented to this Court In these petitions 7 persons have been recommended as fit and proper persons for the office of Jheer. The names of the Nominees and the number of votes recorded for each are as follows:—

1	Chakravarthi Venkatachariar Swamigal	5839
2.	Sri Lakshminarasimha Ramanuja Swamigal	1413
3.	Yagna Dikshitar	630
4	Suarnam Krisnamachariar	569
5.	K V. A Srinivasachariar	72
6	K. Srinivasaraghavachariar	62
7.	Seshadriachariar	5

In addition to the above votes 118 were given for (2) Ramanujaswami or in the alternative for (3) Yagnadikshitar and 75 votes for (2) Ramanujaswami or in the alternative for (4) Krishnamachariar. Votes were received from every part of the Presidency and even from places outside its limits namely Travancore, Mysore, Hyderabad and Berars so there can be no doubt that the wishes of the disciples are fully represented.

The merits and demerits of the candidates are set forth in the petitions which form the 1700 pages of printed books, the material contents of which have been set forth above. The votes by the castes were presented by the petitions.

It will be observed that nearly three quarters of all the votes were given for Chakravarti Venkatachariar and he has therefore as many votes as the next most popular candidate Ramanujaswami. We by ourselves consider ourselves bound to support the candidate who has the largest number of votes irrespective of his fitness but where a candidate is found unfit we consider that great weight should be given to the wishes of the majority of the disciples of the Matt, especially where the minority is so overwhelmingly in favour of the majority. The preponderance of opinion in favour of Chakravarti Venkatachariar is not merely numerical, but is equally conspicuous, for part is due to the prominent position of those who have voted for him. They are Judges of the High Court, Judges, Magistrates and other Government officials of every rank, almost all professional men among whom are no less than six Barristers-at-Law, pleaders, and a certain number of large landowners, among whom are the Zamindars and the heads of large religious institutions (Mathas). It is to be noted that he is well qualified for the post by his piety, learning, social position and by the high esteem in which he is held by the Matt. Several of his ancestors were Jeers of the Matt and he is the grandson of the late Jeer over 50 years of age. It is perhaps sufficient to quote one out of the letters of the petitions that have been received in his favour. Mr. T. Rangaswami Ayyangar, M. A., Deputy Collector of Coimbatore speaks as follows:—

"I have known Srimans Chakravarthi Venkatachari swami for several years personally and his character and piety have been of the very highest order. His endeavours in service is very great. I am sincerely of opinion that, possessing as he does, a rare combination of high character, great piety and deep erudition he is the most suitable candidate for the Jeership. Himself a very wealthy man successfully and efficiently managing a large estate, he is sure to manage the temporal affairs of the Matt efficiently and under him I have not the slightest doubt the charities of the Matt will vastly increase.

"As an humble disciple of the Matt I unhesitatingly give my vote to Sriman Chakravarthi Venkatachariar of Kumbakonam who is in every way out and out the best of all the candidates whose name have been before the Matt disciples."

The only material objection that has been urged against his character is founded upon his conduct as disclosed in Suit No. 34 of 1895 on the file of the Subordinate Judge of Kumbakonam. This was a Suit brought against him by his mother-in-law to recover certain money which she had lent him, but which he denied having received. The Subordinate Judge came to the conclusion that his denial was false and gave a decree for the plaintiff but added that the

defendant's object was not dishonest in the sense that he had a desire to misappropriate the money for his own use, but he only wished to secure it against alienation or waste for the benefit of his children who were also the heirs of his mother-in-law. The defendent appealed but the appeal was rejected without trial owing to its not being properly stamped by his Vakil Thus the conclusions of the Subordinate Judge were unfortunately never tested in appeal, and the Vakil who was engaged in the case informs that the decree was never executed. Assuming however, that the conclusion of the Subordinate Judge was correct, we have to remember that the transaction took place ten years ago and, though it is now brought up against him by the supporters of the rival candidates, it does not appear to have affected his reputation at the time, for when the late Jheer was elected in 1899 this man was nominated at the meeting of the disciples but his claims were eventually set aside, not on the score of his character as on account of his conduct as disclosed in the suit, but because he had not at that time completed two specified religious ceremonies—an objection which no longer applies to him.

In these circumstances we do not think that we ought to regard his conduct in that one transaction as a bar to his appointment when in every other respect his reputation is unblemished and when he is declared by an overwhelming majority of those most nearly concerned to be preeminently fitted for appointment we do not think it necessary to refer to the qualifications of the other nominees at any length though they have been fully brought before us by the several Vakils. The second candidate, Ramanujaswami, is no doubt well qualified by his learning piety character and previous position as agent of the Mutt for 40 years, but his age which appears to be nearly 70 and which is said to be accompanied with defective eyesight and ill health renders him less fit than a younger man for an appointment involving such onerous duties not only of a spiritual but also of a temporal character in superintending the large and widely scattered endowments and charities attached to the Mutt. Assuming that the other nominees are each personally fit still the comparatively small support they have received from the disciples of the Mutt is a sufficient reason for not preferring them to Chakravarti Venkatachariar.

It is necessary that the Jheer should become a sanyasi before taking on himself the duties of his office as Jheer. This, Chakravarthi Venkatachariar is prepared to do.

We accordingly resolve to appoint him Jheer conditionally on his becoming a sanyasi within one month from this date in accordance with the custom of the Mutt.

The Receiver of the estate, who is in possession of the idol, will afford him every facility for the ceremonies and will report to this court when they are completed or at the end of a month if not then completed.

As the suit is for the benefit of the trust we think that the costs of all the parties to the suit is a proper charge on the Mutt funds and we therefore allow the costs of the suit and this appeal to be defrayed therefrom.

ಅಂಗಡಿಯಲ್ಲಿ ಹಾಲಿನ ಪುಡಿ ಮತ್ತು ಬೆಣ್ಣೆ ಇರಲಿಲ್ಲ. ಅಮ್ಮ ಹಾಲಿನ ಪುಡಿ ಮತ್ತು ಬೆಣ್ಣೆ ಇಲ್ಲದೆ ಹೇಗೆ ಕೇಕ್ ಮಾಡುವುದು ಎಂದು ಯೋಚಿಸುತ್ತಿದ್ದಳು. ಆಗ ಅಪ್ಪ ಹೇಳಿದರು, "ಹಾಲಿನ ಪುಡಿ ಮತ್ತು ಬೆಣ್ಣೆ ಬದಲಿಗೆ ಎಣ್ಣೆ ಮತ್ತು ಹಾಲು ಬಳಸಿ ಕೇಕ್ ಮಾಡಬಹುದು." ಅಮ್ಮ ಅಪ್ಪನ ಮಾತಿನಂತೆ ಎಣ್ಣೆ ಮತ್ತು ಹಾಲು ಬಳಸಿ ಕೇಕ್ ಮಾಡಿದಳು. ಕೇಕ್ ತುಂಬಾ ರುಚಿಯಾಗಿತ್ತು. ಅಪ್ಪ ಅಮ್ಮನಿಗೆ ಧನ್ಯವಾದ ಹೇಳಿದರು.

ಅಪ್ಪ ಅಮ್ಮನಿಗೆ ಧನ್ಯವಾದ ಹೇಳಿದ್ದು ಏಕೆ?

ಅಮ್ಮ ಅಪ್ಪನ ಮಾತಿನಂತೆ ಏನು ಮಾಡಿದಳು?

ಅಮ್ಮ ಕೇಕ್ ಮಾಡಲು ಏನು ಬಳಸಿದಳು?

ಅಮ್ಮ ಕೇಕ್ ಮಾಡಲು ಏನು ಬಳಸಲಿಲ್ಲ?

ಅಮ್ಮ ಏನು ಯೋಚಿಸುತ್ತಿದ್ದಳು?
